

Cool Down

By Kolohe Kai

Intro: Bb Cm

Bb

It's another fiery afternoon (so hot, so hot)

Hotter than the month of June

Cm

So we should go beach now (cool down)

Cool down where the water's right

Bb

Lets grab our boards and run, run, run, run

Run to the nearest shore

Cm

School is pau, lets go now

And hele out the door

Chorus x2:

Bb

The waves is on fire, the day is getting hot

This is my desire, the one to hit the spot

Cm

Yeah... Cool down

Bb

The water's looking nice and blue (so blue, so blue)

Bluer than the clearest sky

Cm

And the waves are firin' getting higher

Better even as we speak yeah...

Bb

Don't you melt the sun, sun, sun,

Sun is hotter than ever before

Cm

So lets ride, ride

Surf and ride some more

Chorus>

Solo (Bb Cm)

Rap (Bb// // // // Cm// // // //):

All you divers well go and get your gear

And all you riders well now surf with no more fear

'Cause it's a hot day, everybody

shoulda go, shoulda go, shoulda go and cool off yeah

All you paddlers well a go and get your crew

And everybody else you know what to do

Go grab your 'ohana it's so nice outside

We're living in Hawai'i with Aloha and pride yeah

Chorus>
